**Wolfsburg, 30. October 2020** – Due to the decisions made by the Federal Government on 28 October 2020 the Autostadt in Wolfsburg will suspend operations from Monday, 2 November, until the end of November 2020. This includes all pavilions, the ZeitHaus and the Autostadt restaurants. The organic bakery "Das Brot." will remain open with a variety of take-away offers. The CustomerCenter will also remain open for vehicle delivery. We kindly ask that private and retail customers first contact their responsible Volkswagen partner if they have any questions. Current developments are also forcing the Autostadt to cancel its planned winter programme. The set-up work already in progress will be stopped immediately.

Customers, guests and employees are required to wear mouth and nose protection throughout the Autostadt premises. This applies both to the outside and inside the buildings. The Autostadt apologises for the inconvenience.
